

## HOMEcoming 2011: FRIDAY-SUNDAY, OCTOBER 7-9

Remember those days of sitting on The Green waiting for friends to join you to study for a test, soak up the sun, or just talk? Remember the discussions you had with professors who knew you—maybe better than you knew yourself—both in and out of the classroom? Enduring friendships and precious moments with faculty mentors are two of the top things alumni mention most about their time at Huntingdon. **This Homecoming, come back home and remember where your future began.**
