**Terms and Conditions: (Note: Additional Terms and Conditions follow on subsequent pages)**

**APPLICABLE LAW** - The terms of this Federal Perkins Loan Master Promissory Note (hereinafter called the Note) and any disbursements made under this Note shall be interpreted in accordance with Part E of Title IV of the Higher Education Act of 1965, as amended (hereinafter called the Act), as well as Federal regulations issued under the Act. All sums advanced under this Note are subject to the Act and Federal regulations issued under the Act.

**REPAYMENT** - I am obligated to repay the principal and the interest that accrues on my loan(s) to the above-named institution (hereinafter called the School) over a period beginning 9 months (or sooner if I am a Less-Than-Half-Time Borrower) after the date I cease to be a half-time student at an institution of higher education or a comparable School outside the United States approved by the United States Department of Education (hereinafter called the Department) and ending 10 years later, unless I request in writing that my repayment period begin sooner. I understand that the School will report the amount of my installment payments, along with the amount of this loan to at least one national credit bureau. Interest on this loan shall accrue from the beginning of the repayment period. My repayment period may be shorter than 10 years if I am required by my School to make minimum monthly payments. My repayment period may be extended during periods of deferment, hardship, or forbearance and I may make graduated installment payments in accordance with a schedule approved by the Department. I will make my installment payments in equal monthly, bimonthly, or quarterly installments as determined by the School. The School may round my installment payment to the next highest multiple of $5. If I will make a minimum monthly repayment of $40 (or $30 if I have outstanding Federal Perkins Loans made before October 1, 1992 that included the $30 minimum payment option or outstanding National Direct Student Loans in accordance with the Minimum Monthly Payment Section of the Terms and Conditions contained on the reverse side of this document.]

**LATE CHARGES** - The School may impose late charges if I do not make a scheduled payment when due or if I fail to submit to the School on or before the due date of the payment, a properly documented request for any of the forbearance, deferment, or cancellation benefits as described below. No late charges may exceed 20 percent of my monthly, bimonthly, or quarterly payment. The School may add the late charges to principal the day after the scheduled payment was due or include it with the next scheduled payment after I have received notice of the charge, and such notice is sent before the next installment is due.

**FORBEARANCE, DEFERMENT, OR CANCELLATION** - I may apply for a forbearance, deferment, or cancellation on my loan. During an approved forbearance period, payments of principal and interest, or principal only, may be postponed or reduced. Interest continues to accrue while my loan is in forbearance. During an approved deferment period, I am not required to make scheduled installment payments on my loan. I am not liable for any interest that might otherwise accrue while my loan is in deferment. If I meet the eligibility requirements for a cancellation of my loan, the institution may cancel up to 100 percent of the outstanding principal loan amount. Information on eligibility and application requirements for forbearances, deferments, and cancellations is provided on pages 2 through 4 of this Note. I am responsible for submitting the appropriate requests on time, and I may lose my benefits if I fail to file my request on time.

**DEFAULT** - The School may, at its option, declare my loan to be in default if (1) I fail to make a scheduled payment when due; (2) I fail to submit to the School, on or before the due date of a scheduled payment, documentation that I qualify for a forbearance, deferment, or cancellation; or (3) I fail to comply with the terms and conditions of this Note or written repayment agreement. The School may assign a defaulted loan to the Department for collection. I will be ineligible for any further federal student financial assistance authorized under the Act until I make arrangements that are satisfactory to the School or the Department to repay my loan. The School or the Department shall disclose to credit bureau organizations that I have defaulted and all other relevant loan information. I will lose my right to defer payments and my right to forbearance if I default on my loan. The School or the Department may accelerate my defaulted loan. Acceleration means that the School or the Department demands immediate payment of the entire unpaid balance of the loan, including principal, interest, late charges, and collection costs. I will lose my right to receive cancellation benefits for service that is performed after the date the School or the Department accelerated the loan.

**CHANGE OF STATUS** - I will inform the School of any change in my name, address, telephone number, Social Security Number, or driver's license number.

**AUTHORIZATION** - I authorize the School, the Department, and their respective agents and contractors to contact me regarding my loan request or my loan(s), including repayment of my loan(s), at the current or any future number that I provide for my cellular phone or other wireless device using automated telephone dialing equipment or artificial or pre-recorded voice or text messages.

**PROMISE TO PAY** - I promise to pay the School, or a subsequent holder of the Note, all sums disbursed under the terms of this Note, plus interest and other fees which may become due as provided in this Note. I understand that multiple loans may be made to me under this Note. I understand that my loan is separately enforceable based on a true and exact copy of this Note. I understand that I may cancel or reduce the amount of any loan by not accepting or by returning all or a portion of any disbursement that is issued. If I do not make any payment on any loan under this Note when it is due, I promise to pay all reasonable collection costs, including attorney fees, court costs, and other fees. I will not sign this Note before reading the entire Note, even if I am told that I am not required to read it. I am entitled to an exact copy of this Note. This loan has been made to me without security or endorsement. My signature certifies I have read, understand, and agree to the terms and conditions of this Note.

I UNDERSTAND THAT I MAY RECEIVE ONE OR MORE LOANS UNDER THIS MASTER PROMISSORY NOTE AND THAT I MUST REPAY SUCH LOANS.

---

Borrower's Signature __________________________ Date ____________
DISCLOSURE OF LOAN TERMS - I understand that under this Note, the principal amount that I owe, and am required to repay, will be the sum of all disbursements issued unless I reduce or cancel any disbursements. The School will determine whether to make any loan under this Note after my loan eligibility is determined. At or before the time of first disbursement for each loan, a disclosure statement will be provided to me identifying the amount of the loan and any additional terms of the loan. I may decline a loan or request a lower amount by contacting the School. Any disclosure statement I receive in connection with any loan under this Note is hereby incorporated into this Note.

LOAN REHABILITATION - If I default on my Federal Perkins Loan, and that loan has not been reduced to a judgment as a result of litigation against me, I may rehabilitate my defaulted Federal Loan by requesting the rehabilitation and by making a voluntary, on-time, monthly payment, as determined by the School, each month for nine consecutive months. If I successfully rehabilitate my defaulted Federal Perkins Loan, I will again be subject to the terms and conditions and qualify for any remaining benefits and privileges of this Note and the default will be removed from my credit history. I understand that I may rehabilitate a defaulted Federal Perkins Loan only once. After my loan is rehabilitated, collection costs on the loan may not exceed 24 percent of the unpaid principal and accrued interest as of the date following the application of the second consecutive payment. If I default on my rehabilitated loan, the cap on collection costs is removed.

ASSIGNMENT - A loan made under this Note may be assigned by the School only to the United States, as represented by the United States Department of Education. Upon assignment, the provisions of this Note that relate to the School will, where appropriate, relate to the Department.

HARDSHIP REPAYMENT OPTIONS - Upon my written request, the School may extend my repayment period (1) for up to an additional 10 years if I qualify as a low-income individual during the repayment period; or (2) for the period necessary beyond my year repayment period if, in the School's opinion, prolonged illness or unemployment prevent me from making the scheduled repayments. Interest will continue to accrue during any extension of a repayment period.

If I am required by the School to make a minimum monthly payment on my loan, the School may also permit me to pay less than the minimum monthly payment amount for a period of not more than one year at a time if I experience a period of prolonged illness or unemployment. However, such action may not extend the repayment period beyond 10 years.

GRACE PERIODS - Unless I am a Less-Than-Half-Time Borrower, I will receive an initial nine-month grace period before the first payment of my Federal Perkins Loan must be made. After the close of an authorized deferment period, I will receive a post-deferment grace period of six months before my payments resume. Interest does not accrue during the grace period or during the post-deferment grace period. The nine-month initial grace period for Federal Perkins Loans does not include any period up to three years during which I am called or ordered to active duty for more than 30 days from a reserve component of the Armed Forces of the United States, including the period necessary for me to resume enrollment at the next available enrollment period. I must notify the school that made my loan of the beginning and ending dates of my service, and the date I resume enrollment. If I am in my initial grace period when called or ordered to active duty, I am entitled to a new nine-month initial grace period upon completion of the excluded period.

If I am a Less-Than-Half-Time Borrower with outstanding Federal Perkins Loans, my repayment period begins when the next scheduled installment of my outstanding loan is due. If I am a Less-Than-Half-Time Borrower with no other outstanding Federal Perkins Loans, my repayment begins the earlier of: 9 months from the date my loan was made, or 9 months from the date I became a less-than-half-time student, even if I received the loan after I became a less-than-half-time student.

PREPAYMENT - I may prepay all or any part of my unpaid loan balance, plus any accrued interest, at any time without penalty. Amounts I repay in the academic year in which the loan was made and before the initial grace period has ended will be used to reduce the amount of the loan and will not be considered a prepayment. If I repay amounts during the academic year in which the loan was made and the initial grace period has ended, only those amounts in excess of the amount due for any repayment period shall be considered a prepayment. If, in an academic year other than the academic year in which the loan was made, I repay more than the amount due for an installment, the excess will be applied to the next installment unless I designate it as an advance payment of the next regular installment.

MINIMUM MONTHLY PAYMENT - If required by the School, I will make a minimum monthly payment in the amount of $40 (or $30 if I have outstanding Federal Perkins Loans made before October 1, 1992 that included the $30 minimum payment option or outstanding National Direct Student Loans) or its bimonthly or quarterly equivalent. If the total monthly payment amount on this loan and any outstanding Federal Perkins Loans I may have is less than the minimum monthly payment amount established by the School, the School may still require a minimum monthly payment amount. A minimum monthly payment amount will combine my obligation on this and all my outstanding Federal Perkins Loans, unless I have received loans with different grace periods and deferments. At my request and if I am eligible, the school may combine this minimum monthly payment amount with all my outstanding Federal Perkins Loans including those made at other schools. Under these circumstances the portions of the minimum monthly payment that will be applied to this loan will be the difference between the minimum monthly payment amount and the total amounts owed on a monthly basis on my other Federal Perkins Loans. If each school holding my outstanding Federal Perkins Loans exercises the minimum monthly payment amount option, the minimum monthly payment amount will be divided among the Schools in proportion to the loan amount advanced by each school if I request this treatment from each School.

FORBEARANCE - Upon making a properly documented written or oral request to the School, I am entitled to forbearance of principal and interest or principal only, renewable at intervals of up to 12 months for periods that collectively do not exceed three years, under the following conditions: If my monthly Title IV loan debt burden equals or exceeds 20 percent of my total monthly gross income, if the Department authorizes a period of forbearance due to a national military mobilization or other national emergency, or if the School determines that I qualify due to poor health or for other reasons, including service in AmeriCorps. Interest accrues during any period of forbearance.

DEFERMENTS - To apply for a deferment, I must request the deferment from the school. Your request does not have to be in writing, but the School may require that I submit documentation to prove my eligibility for a deferment. I may defer making scheduled installment payments and will not be liable for any interest that might otherwise accrue (1) during any period that I am enrolled and attending as a regular student in at least half-time course of study at an eligible School (if the School obtains student enrollment information showing that I qualify for this deferment, the School may grant the deferment without my request providing the School notifies me and gives me the option to cancel the deferment), (2) during any period that I am enrolled and attending as a regular student in a graduate fellowship program approved by the Department, engaged in graduate or postgraduate fellowship-supported study outside the US; enrolled and attending a rehabilitation training program for disabled individuals approved by the Department; or engaged in public service that qualifies me to have part or all of my loan canceled; (3) for a period not to exceed three years during which I am seeking but unable to find full-time employment; (4) for a period not to exceed three years, for up to one year at a time, during which I am experiencing an economic hardship as determined by the School. I may qualify for an economic hardship deferment for my Federal Perkins Loan if I provide my school with documentation showing that I have been granted such a deferment under the William D. Ford Federal Direct Loan or Federal Family Education Loan program for the period of time for which I am requesting an economic hardship deferment for my Federal Perkins Loan. If I am serving as a volunteer in the Peace Corps, I am eligible for an economic hardship deferment for my full term of service. An economic hardship deferment based on service as a Peace Corps volunteer may not exceed the lesser of three years or my remaining period of economic hardship eligibility; (5) during a period when I am serving on active duty during a war or other military operation or national emergency, or performing qualifying National Guard duty during a war or other military operation or national emergency (as these terms are defined in 34 CFR 674.34(h) of the Perkins Loan Program regulations) and, if my active duty service includes October 1, 2007 or begins on or after that date, for an additional 180-day period following the demobilization date for my service; and (6) if I am serving on active duty military service on October 1, 2007, or begin serving on or after that date, for at least a 30-day period, for up to 13 months following the conclusion of my active duty military
service and initial grace period or until I return to enrolled student status, whichever is earlier, if I am a member of the National Guard or other reserve component of the Armed Forces of the United States or a member of such forces in retired status (as these terms are defined in 34 CFR 674.34(d)(2)) and I was enrolled in a program of instruction at the time I was called to active duty, or within six months prior to the time I was called to active duty. Active duty does not include active duty for training or attendance at a service school or employment in a full-time, permanent position in the National Guard unless I am reassigned from that position to another form of active duty service.

I may continue to defer making scheduled installment payments and will not be liable for any interest that might otherwise accrue for a six-month period immediately following the expiration of any deferment period described in this section.

I am not eligible for a deferment while serving in a medical internship or residency program.

**DID YOU RECEIVE A COPY OF THE LOAN PROMISSORY NOTE?**

I understand that:

- [ ] I received a student loan and must repay my loan on a timely basis as called for in the repayment agreement that was mutually agreed upon by me and my lending institution.
- [ ] I must contact the lending institution, prior to the due date, if any payment cannot be made for any reason.
- [ ] I must inform my lending institution or billing agent, immediately, of any change in my name or address.
- [ ] I must submit timely certification when requesting deferment, and/or consolidation benefits.
- [ ] I can accelerate or make payments prior to the due date without penalty.
- [ ] I can make payment in excess of the amount due. This can reduce the total amount of interest I will be required to pay over the life of my loan, but may not apply automatically to my next scheduled payment.
- [ ] I might be eligible to defer, postpone and/or cancel repayment of my loan. The appropriate form to request any one of these privileges can be obtained from the lending institution or billing agent.
- [ ] Provisions of my promissory note may require payment of my loan in installments (or quarterly) installments.
- [ ] My loan might be subject to late charges if payments are past due depending on the provisions of my promissory note.
- [ ] I might be required to pay the total cost of collection and/or litigation if my loan(s) becomes past due and remains past due without appropriate arrangements to bring it current.
- [ ] Depending upon the promissory note provisions, I might be subject to being reported to Credit Bureaus.

I understand that I will be contacted during the next few months, with further information and instructions.
